ATA Chain (ATAX) | Token Distribution

Public Sale	During the public offering phase, tokens will be sold to the general public and distributed to participants.
Management & Team Tokens	These tokens allocated for project founders and shareholders will be gradually released over a specified period to incentivize the team's efforts. 10 million tokens will remain locked for the first 6 months and will be unlocked monthly thereafter.
Reserves	These are token reserves allocated for project development, marketing, business development, and other operational needs. The reserves will be used for project development as needed over a specified period.
Staking/Interest/Airdrop	These tokens are allocated to encourage community participation and promote the project. The tokens will be distributed to community members through rewards, airdrop programs, games, gifts, and tasks. Additionally, they will be sent as entitlements to wallets with each initial ATA ID creation and used for listing and launchpads.
Advisory & Partnerships	These tokens are allocated for project advisors and strategic partners. The tokens will be released over a specified period in exchange for consulting services and business partnerships. These tokens cannot be used for direct sales and will be delivered within our AI-controlled system.
Founder Team	4,000,000 ATACHain tokens are allocated as the right of the person who created the project idea and invention. These tokens will remain fully locked for the first 6 months and then will be unlocked at a rate of 10% each month over the following 12 months.
Ripples & Vortices	3,000,000 ATACHAIN tokens will be locked to cover project disruptions, cyber attacks, and wallet issues. a. Fluctuations: Sudden changes in token prices or distribution may occur. Liquidity (USDT) can be used in these cases. b. Vortices: Complex situations in token distribution or usage should be carefully managed.
Insurance	4,000,000 ATACHain tokens are allocated to remain continuously locked in the liquidity pool for the ATA-C WALLET Insurance section of the project.
Hologram & AI	3,000,000 ATACHain tokens are allocated for a planned special holographic and artificial intelligence project partnership.
